SIKORSKY / WESTLAND SEA KIN BOOK

DUKEHAWKINS.COM

For decades, the Sea King has operated in air forces around the world, in a variety of roles: from submarine hunter and Search and Rescue helicopter to troop transport and Airborne Early Warning asset. This 180 page book shows the many, many versions of the versatile and much missed helicopter as never before. In this book, Sea Kings from many countries are included: UK, USA, Belgium, Germany, Denmark, Norway, Spain, Canada, Japan, Argentina, Italy, Egypt, Pakistan, India, and more.
